

S. S. "STANASFALT".

It is submitted that, as the Designers of this vessel, Messrs. Sir Joseph W. Isherwood & Co.Ltd., have been approached by the Anglo-American Oil Co.Ltd. with regard to the proposal to carry oil in bulk in this vessel, they might be informed it has been decided to give her the following notations in the Register Book :- local "With Freeboard" "Carrying Liquid Asphalt or Oil in bulk, F.P. "above 150° F. in cylindrical tanks", and also "Rudder "Electrically Welded".
