HEBBURN-on-TYNE.

Dear Sirs,

s.s. "STANASFALT" - NO. 989.

This will acknowledge receipt of your letter of
May 8th.

Regarding the notation in Lloyd's Register of
Shipping we would prefer to have the notation reading as
follows :- "Simplex Rudder electrically welded".

By adding the word "Simplex Rudder" we wish to
explain that the electric welding is nothing uncommon but
is generally used in connection with the newly developed
Simplex Rudder and I hope that Lloyds will agree to make
the notation accordingly.

Expecting to hear from you to this effect,

I am,

Yours very truly,

(sgd.).....
