

S.S. "STANSFALT".

Messrs. Sir Joseph W. Isherwood & Co. Ltd.
have been consulted by the Anglo American Company, who have
been acting on behalf of the Owners, in regard to the question
of carrying petroleum in bulk in this vessel.

Mr. Wm. Isherwood has called at this Office
and the Committee's decision has been explained to him.

It is submitted that, as requested, a copy of the
Secretary's letter of the 8th instant addressed to the Hamburg
Surveyors, be forwarded to the Designers of the ship.
