

M.V. "SUMATRA"

=====

- 1 cast iron propeller
- 1 tail shaft

Main Engines.

- 1 cylinder cover complete with valves, seats, springs, ect.
- 2 starting valves complete
- 7 exhaust valves complete, 2 exhaust valve seats.
- 2 induction valves complete
- 2 safety valve complete
- 4 fuel valves complete 3 fuel valve stems.
- 1 piston complete with rings, studs, etc.
- 2 sets piston rings.
- 2 pairs telescope pipes for piston cooling
- 1 pair main bearing bushes
- 2 main bearing studs and nuts
- 1 pair crank pin brasses
- 2 bottom end bolts and nuts
- 4 top end brasses
- 4 top end bolts and nuts
- 1 set coupling bolts for crank shaft
- 1 set coupling bolts for interm shaft
- 6 pads for thrust block
- 1 set of working parts for fuel pumps.

Main compressor.

- 1 pair main bearing bushes
- 2 main bearing bolts and nuts.
- 1 pair crank pin brasses
- 2 bottom and bolts & nuts
- 1 gudgeon pin bush
- 1 complete set of piston rings - 3rd stage to all
- 1/2 set of suction and delivery valves
- 1 safety valve for each stage
- 1 complete coil for 3rd stage cooler.

Main Bilge pumps-

- 1 set of suction and delivery valves.

Auxiliary Diesel Engines.

- 2 exhaust valves complete with springs, seats, etc.
- 3 fuel valves complete
- 7 fuel valve stems
- 1 induction valves
- 1 safety valve
- 2 starting valve
- 2 crank pin brasses
- 2 bottom end bolts & nuts
- 1 gudgeon pin
- 2 " " bush
- 2 main bearing bushes
- 2 " " bolts & nuts
- 1 piston complete with rings 2 sets of piston rings.
- 1 set of working parts for fuel pump.

AUXILIARY engine compressors.

- 2 bottom end bolts & nuts.
- 1 complete set of suction & delivery valves
- 1 cooling coil for 3rd stage cooler
- 1 set of piston rings complete

Pumps.

- 1 set of valves for ballast pump
- 1 " " " " bilge "
- 1 Donkey boiler safety valve springs.
