

March 13, 1948.

This is to certify that R. N. HUNTER and A. CAMPBELL,  
surveyors to this Corporation, surveyed the steel twin screw  
motorship "C O R A D Y" of Alice, and all recommendations  
made by them have been satisfactorily carried out.

Reports will be prepared and submitted to the Committee  
with the recommendation that the ship be classed BS and MS  
with the Corporation.
