LONDON:
April 19, 1949.

Dear Sirs,

S.S. "WENSLEYDALE"

Messrs. Fairplay Towage & Shipping Co., Ltd., who are the new Owners of this ship have made a request to view all the previous records but it has been pointed out to them that this is a somewhat complicated matter in view of the fact that these would require to be copied and sent to London.

It appears, however, that they are particularly interested in the Classification Survey carried out in October, 1948, at Immingham and we shall be pleased if you would have copies of the hull and machinery reports forwarded to this office at your convenience.

The Surveyors,
GLASGOW

Yours faithfully,
For the Surveyors,

W. M. White
