Ref. T26.

HULL:
18th March 1949.

Dear Sir,

S.S. "Wensleydale" ex 'Ophelia'.

We acknowledge yours of 16th inst. and have to inform you that the feed filter and feed injector were examined and found in order.

Our Surveyor reports that there is no evaporator on board.

The spare gear is in accordance with rule requirements.

Yours faithfully,
For the Surveyors,

Robert Greig
