March 7, 1949

Dear Sirs,

S.S. "WENSLEYDALE"

With reference to your letter of March 4 regarding this ship it is noted that the condensate pump has now been repaired. The increase in expenses incurred is also noted and in order that fees including your expenses may be charged it would be appreciated if you would forward reports and other documents relative to the classification surveys so soon as possible.

Yours faithfully,

The Surveyors,  
HULL.
