Dear Sirs,

s.s. "OPHELIA" to be Registered in the  
name of the "WENSLEYDALE".

We refer to our application for classification of load line survey of this vessel which was made in our name and to our conversation with Mr. Greig this morning when we advised you that during the re-conditioning of this vessel she was transferred to our Subsidiary Company, The Yorkshire Dale Steamship Co. Ltd., in whose name the vessel is to be registered.

Messrs. Atkinson & Prickett Ltd., will act as Managing Owners.

As mentioned, however, she is subject to a Sale Contract, and we expect she will be delivered shortly to the Fairplay Towage and Shipping Co. Ltd., of London.

Yours faithfully,  
For & on behalf of  
Atkinson & Prickett Ltd.

T.W. PRICKETT.

DIRECTOR.
