Lloyd's Register of Shipping.

Port of ANTWERP.

18th April 1940

This is to Certify that I have

*Surveyed the S.S. "UGO BASSI" of Fiume, 2900 tons gross, whilst lying afloat at Antwerp on the 14th of April 1940 for Damage stated to have been sustained through loss of the starboard bower anchor and its 9 lengths of chain cable at Buniana (Spain) on the 29th of February 1940 whilst on a voyage from Naples to Buniana, and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have **Recommended** that she be continued as classed in the Society's Register Book without fresh record of survey subject to one Bower anchor being placed on board at an early opportunity,*

being fit to carry dry and perishable Cargoes.

S. J. J. J. J.
Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
