17th February, 1928.

Dear Sirs,

S. I duly received your letter of the 15th instant respecting the steamer "VYNER BROOKE", and have been in telegraphic communication with the Society's Surveyors at Leith in regard to the completion of the survey for classification.

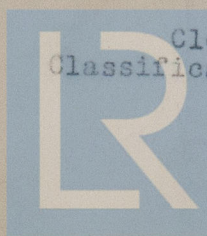

The Surveyors hope to be in a position to forward their report to this Office to-morrow, and in the ordinary course this will be submitted to the Committee at their meeting on Tuesday next, when the classification certificates will be forwarded to the Builders for delivery, provided the fees have been paid.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
