S.

Dear Sir,

With reference to your classing letter of the 14th instant, regarding the s.s. "WESTLAND", Rotterdam Report No. 15562, I have to state that the thickness of the end keel plates is as approved. The thickness given on the First Entry Report is a clerical error.

At the same time I have enclosed herewith the certificates of the sternframe and rudder forgings as desired.

I am, Dear Sir,

Yours faithfully,

B. Cunningham
