Dear Sir,

E.

I duly received your letter of the 24th ultimo, forwarding copies of certificates in respect of the bronze propellers supplied by the Fonderies et Ateliers des Pompes et Moteurs for the M.V. "ZWEENA", and have to acquaint you that these Certificates have been examined and found in order.

With reference to the remarks in the third paragraph of your communication, I may say that no specially prepared copy forms of the Form Cert.Prop. are printed, and it will be sufficient if, in future cases, you forward to this Office carbon copies on plain paper, containing only the particulars entered by you on the original printed form.

I am, Dear Sir,

Yours faithfully,

R. Masset, Esq.,
BOULOGNE.
