31st December, 1938.

Dear Sir,

E.

With reference to your Certificates of Tests Nos. 724, 729 and 732 on a motor compressor set for the motor vessel "ZWEENA", I have to say it is noted that no particulars of the motor rating and values of the temperatures attained on test are given, and in the circumstances I shall be glad if you will obtain and forward to this Office a copy of the Firm's test certificate giving full details of the motor and the tests carried out.

At the same time you should state the actual temperature rises obtained so that they can be checked here.

I am, Dear Sir,

Yours faithfully,

Secretary.

M. Adam, Esq.,
DUNKIRK.
