

m.v. "ZWEENA".

The Dunkirk Surveyor has submitted a copy of a certificate of test on a motor compressor set for the above vessel.

No particulars of the motor rating are given, nor values of the temperatures attained on test.

IT IS SUBMITTED the Dunkirk Surveyor be requested to obtain a copy of the Firm's test certificate giving full details of the motor and the tests carried out. He should also state the actual temperature rises obtained so that they can be checked in this Office.
