Dear Sirs,

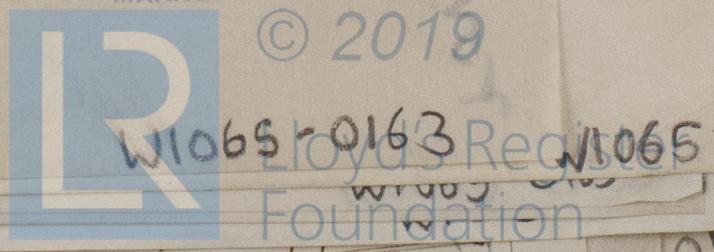

New Motor Vessel "POSEIDON"?

We are in receipt of your letter of yesterday relating to the hull Classification Certificate of the above mentioned vessel, and we are extremely obliged for your taking the matter up with the Society's Surveyor at Amsterdam.

As far as we can judge at present, the vessel will be ready to leave Rotterdam about the <sup>end</sup> ~~middle~~ of next week, and we, therefore, trust that you will be able to make such arrangements that the certificate is delivered to the Captain before his departure. It will be useless handing us the document on account of the delay now experienced in connection with the delivery of letters on the Continent.

Yours truly,  
THE ANGLO-SAXON PETROLEUM CO. LTD.
