Committee.

Lloyd's Register of British & Foreign Shipping,

71, Fenchurch Street, E.C.

8th June, 1914.

Dear Sirs,

I have to acquaint you that it appears from a First Entry Report received from the Society's Surveyors at Middlesbrough that the steel screw steamer "POSEIDON" built by Messrs. Smith's Dock Co. has proceeded to your port where her machinery is to be fitted.

In the circumstances I shall be glad if you will be so good as to give the case the necessary attention and on completion of the work forward a report on Form 8 in the usual manner for the information of the Committee with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

AMSTERDAM.
