Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosure.

8th June, 1926.

Dear Sir,

I duly received your letter of the 1st instant, respecting the engines which are being fitted on board the yacht "CHELSEA", and in compliance with the request contained therein I return the reports (Stockholm Nos. 2649 and 2650) and at the same time enclose a copy of my letter of the 18th December 1919, addressed to the Society's Surveyor at Stockholm, forwarding a list of the spare gear.

I have to add that it is considered that as the full fee was originally charged, no further fee should be charged at the present time for the fitting of these engines on board.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
