Classn.S.

RAJ.

Dear Sirs,

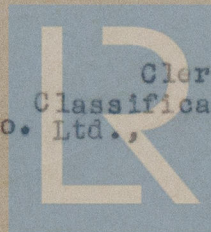

I acknowledge the receipt of your letter of the 22nd instant respecting the Tug "LONGTOW", the contents of which are noted.

I think it well to add that the class is subject to the Boiler Survey being held before steam is raised apart from the question of the carrying out of the Screw shaft Survey which became due at the end of October, 1949.

Yours faithfully,

Clerk to the
Classification Committee.
