AIR MAIL

15th February, 1950.

Dear Sirs,

Reverting to your letter of the 10th ultimo in which it is stated that the steamer "CHELOHSIN" may be repaired and replaced in service again, I think it well to inform you that according to the shipping papers, this vessel was purchased by Mr. Victor David, who is planning to use her as a floating paint plant.

In the circumstances I shall be glad if you will kindly inquire and let me know whether this is so, as this case must shortly be submitted to the Committee for their consideration in view of the fact that this steamer was condemned and abandoned to Underwriters.

Yours faithfully,

pro Secretary.

The Surveyors,

VANCOUVER.
