With reference to your report No. 5907 I have to point out that the validity of the Load Line Certificate will expire at the end of the present month, and I shall be glad to learn what arrangements the Owners propose making to carry out the Special Survey and Load Line Renewal Survey.

I have to report that this vessel went ashore on the 6th October 1951 at Phalconera island and I am informed by the Owners that she is now considered a total loss.
