QUESTION.

ANSWER.

With reference to your memorandum of the 9th January last, in the absence of this vessel's name from your returns of vessels under survey, I shall be glad to learn how the case now stands.

*L.R.*

Date: 26th April 1951.

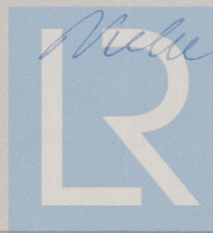

I am sorry to see that the name of "Skálaberg" slipped out from the list over Surveys. - The commenced Special Survey has been interrupted. The Owners wanted the vessel for transport of fresh fish to British port, asked to consider the commenced Survey as Annual Docking and to postpone the completion of the Survey to the month of October first.

On April the 4th I on the Owners' request sent you an application for this, you may have received that letter by now. As I think the vessel will be fit for this use I took the liberty to recommend the postponement.

Awaiting your early reply, I remain,

Yours faithfully

*L.R.*
