Lloyd's Register of Shipping.

Port of Genoa,

November 9th, 1927 . -

F.981 A.

This is to Certify that

G. DE C. BALLARDIE

the undersigned Surveyor to this Society did at the request of
Messrs Società Anonima Industriale "SAN GIORGIO" of Genoa-
Borzoli, inspect in their Works at Borzoli : -

1 large (914 x 1828 m/m.)

5 small (610 x 990 m/m.)

CAST IRON WATER TIGHT DOORS operated by hand and by hydraulic
pressure, to be fitted on the M/V "VIRGILIO" (Baia's Yard N°15).

From the forged material for the pinions, test
pieces were taken and tested with satisfactory results, at the
Works of Messrs Gio. Fossati & Co. at Genova-Multedo.

The hydraulic cylinders were all tested to 100 Kg./sq.cm.
with satisfactory results. They were marked for identification
purposes :

P.K. 100 G.B

Each door as assembled was tried by hand and found
to work satisfactorily.

The workmanship was good.

For identification purposes, they were marked: G.B

The results of such tests are in accord with the
regulations of this Society.

(Sgd) G. de C. Ballardie

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that : -

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
