ANSWER.

Date:— Oslo 12th August 1935

With reference to your report 4504, I shall be glad to learn whether this vessel is still laid up.

This vessel is still laid up at Larvik.

It is not yet definitely decided to which shipyard the vessel will be directed to have the equipment for the next whaling season fitted.

The adjusting of the safety valves will be carried out before she is again sent to the whaling ground.
