The Secretary,

London.

Dear Sir,

Referring to your classing letter of the 28 th. instant regarding the steamer "N.T.NIELSEN - ALONSO" No. 79035 in the Register Book (Hbg. Report No.275) I beg to inform you that the single ended boiler fitted during the reclassification at Helsingborg last month can be used to supply steam to the main engine.

On the Boiler Report it was noted under General Remarks: "This boiler has been fitted on board the above vessel as an auxiliary main boiler."

I am, Dear Sir,

Yours faithfully,

T. Arneson
