3 ENCLOSURES

18th June, 1927.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 14th instant enclosing three sketches in further reference to the conversion of parts of the lower tween decks for carrying whale oil in the steamer "N.T. NIELSEN ALONSO", and with regard thereto I have to state that provided the arrangements be carried out as shown thereon, and to your satisfaction, they will be approved.

At the same time I have to inform you that no objection is seen to fitting the air pipes for the lower tanks leading to the upper tween decks. The air pipes fitted both to the existing tanks and to the new tanks should be at least as great in diameter as the filling pipes, if any are fitted.

The sketches are returned herewith.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
OSLO.
