Dear Sir,

I beg to forward, herewith, for approval a plan in duplicate of whale oil boilers proposed to be constructed at this port by Messrs. A.-B. Götaverken and placed on board the steamer "N.T. Nielsen-Alonso", No. 90208 in the Register Book.

As the matter is very urgent the Builders would appreciate the favour of a reply by wire on Monday morning.

I am, Dear Sir,

Yours faithfully,

H. Thomsen.
