Dear Sirs,

M. I am in receipt of your letter of the 16th instant enclosing a plan in duplicate of general arrangement of the steamer "N.T. NIELSEN ALONSO" shewing deck erections, etc., and with regard thereto I have to point out that the plan is incomplete and indistinct, and to enable the equipment number to be computed the plan should be completed to shew clearly the lengths and character of the various erections, with figured dimensions.

I may add that the Frammaes Mek. Verkstad should make their own calculations of the new equipment number so far as the deck erections are concerned, and indicate this on the plan.

The plan in question is returned herewith.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

OSLO.
