Dear Sirs,

S.S. "VALENA"

I am in receipt of your letter of the 8th instant and as desired forward herewith a copy of the Interim Certificate which was issued at Marseilles in April, 1948, in regard to the completion of the Boiler Survey then held at that port together with a copy of the Certificate which was issued in November, 1947.

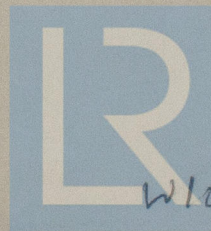

An account for the cost of these documents is also enclosed.

With regard to the Load Line Certificate, I would point out that such Certificate was not issued by this Society and the Marseilles Surveyor was not authorised to extend its validity.

Yours faithfully,

Clerk to the  
Classification Committee.
