s.s. "WARREN GROVE" of Glasgow O.N. 144244

In connection with the Preliminary Inquiry now in progress into the loss of the above-mentioned vessel on the 9/10th November, I am to request that you will be good enough to furnish the Ministry with copies of the following reports:-

- (1) Last Classification Special Survey *X 556wq 5.45*
- (2) Survey for Renewal of Load Line Certificate
- (3) Last Annual Freeboard Survey
- (4) Last examination in dry dock. *X Tm 1.47*

The Ministry understands that, as a result of a leak in the shell, a missing rivet was replaced by a bolt and cement box at Blyth shortly before the ship left West Hartlepool on her last voyage. If a Lloyd's Surveyor was associated with this repair, the Ministry would be grateful to receive from you a copy of his report.

I am, Sir,
Your obedient Servant,

The Secretary,
Lloyd's Register of Shipping,
1 Fenchurch Street,
London, E.C.3.
