

26th July, 1949.

Dear Sir,

S I am in receipt of your letter of yesterday's date reporting the initial trend of the Court of Inquiry on the loss of the steamer "WARREN GROVE" and have noted your remarks with great interest.

Bearing in mind the emphasis being placed on item 1. you will doubtless have noted in the recently revised Rules and Regulations the question of periodical examinations in dry dock is now more specifically dealt with than before.

Thanking you for your attention in the matter,

Yours faithfully,

W. J. Craig, Esq.,  
WEST HARTLEPOOL.

Clerk to the  
Classification Committee
