Reference

Dear Sir,

S.S. WARREN GROVE

With reference to my letter of yesterday's date regarding the formal investigation into the foundering of the above vessel, I have to state that I have now managed to trace Mr. Berry and enclose a copy of a letter which I have to-day addressed to him.

You will doubtless be good enough to advise him as to when he will be required to attend the investigation to give his evidence and furnish him with copies of the necessary reports.

I may say that I am to-day in receipt of a telegram giving his address and stating that he cannot recall his survey of the vessel in question and awaits instructions.

Yours faithfully,

Secretary to the  
Scottish CommitteeThe Secretary,  
LONDON.
