Reference

Dear Sir,

M.

I have to enclose a copy of a letter dated to-day which has been addressed to Mr. S. Bowman regarding the formal investigation into the foundering of the s.s. WARREN GROVE referred to in your letter of the 15th instant.

At the same time I would confirm my telephone conversation of to-day's date with Mr. Clement and Mr. Green regarding the case, from which I understand that copies of the relevant reports will be sent to Mr. Bowman at his holiday address. You will also note that I have pointed out that you will advise him, later on, of the dates on which he will be required to give evidence.

Unfortunately, Mr. Berry, who is now on leave, omitted to furnish his holiday address. I am endeavouring, however, to trace this and will write him as soon as I can.

In the meantime, will you be good enough to forward copies of the relevant reports, for his information, to me.

Yours faithfully,

Secretary to the  
Scottish Committee

The Secretary,  
LONDON.
