

15th July, 1949.

Dear Sir,

M.

s/s "WARREN GROVE"

The Ministry of Transport state that a formal investigation has been ordered into the circumstances attending the foundering of the above ship off Arbroath, Scotland, on the 9th November 1948, and that the case has been fixed for hearing in the Council Chamber, Municipal Buildings, Hartlepool, on the 25th July, commencing at 10.30 a.m.

It is desired that Mr. Berry and Mr. Bowman should give evidence at this formal investigation in connection with the surveys carried out by them and reported in Glasgow Reports Nos. 71604 and 69600 and Dundee Report No. 9568, and I shall be glad if Dr. Webster will be so good as to arrange for them to attend. The dates on which they will be required to give evidence will be advised later.

I may add that Mr. Berry and Mr. Bowman should confine their evidence to statements of fact in connection with the surveys carried out by them, and they should not express personal opinions.

Yours faithfully,

The Secretary,
GLASGOW.

Secretary.
