

Extract from the London Classing Letter dated 30.10.51.

"ACCLIVITY" I have to acknowledge the receipt of your letter of the 26th instant, and note the contents. I think it well to refer to your letter of the 30th of April last in which you stated that there were three auxiliary engines on board, and I shall, therefore, be glad if you will furnish details of the starboard engine referred to.
