Dear Mr. Brown,

Reverting to the conversation which I had the pleasure of having with you the last time you were here, regarding the small outstanding amount in respect of the survey of the machinery of the two Motorships "ACTIVITY" and "ACCLIVITY", I find that letter "A" is going to press on the 23rd instant, and as I should very much like that these vessels should appear with their classes in the new book, in view of the fact that in the unposted edition they will remain without their classes for twelve months from next July, I should be very much obliged if you could kindly make arrangements with the Owners or otherwise for the small outstanding accounts to be paid now.

With kindest personal regards,

I am,

Yours sincerely,

George Brown, Esq.,  
Garvel Shipyard,  
GREENOCK.
