Dear Sir,

S.

Motorship "SURIGAO", Hong Kong & Whampoa  
Deck Co's Yard No.782.  
Generators made by Electromotoren Werke  
Kaiser, Serial Nos.500372, 25 Kw. and

-----

I have to acquaint you that in January last the Society's Surveyors at Hong Kong stated that they had been informed by the Builders that the Owners had arranged with the Makers of the generators in Germany to send the desired Certificates of Test direct to the Society's Office in London.

The certificates in question do not appear to have been received here, and, in the circumstances, I shall be glad if you will endeavour to obtain the same.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

R. S. Johnson, Esq.,  
HAMBURG.
