H.K. & W'poa Dock Co.'s Hull No.782.  
Alterations to Profile & Deck Plan.-

Dear Sirs,

I duly received Mr. Morrison's letter of the 3rd instant submitting for approval quadruplicate prints of the above plan, and with regard thereto I have to inform you that provided the arrangements are carried out as shewn and amended thereon, they will be approved.

It is presumed that the openings in the vessel's sides below the shade deck, between frames 47 and 63, as originally approved, are to remain, and that the hinged watertight flaps shewn on the drawing are fitted to the bulwark only, but the drawing is not very clear in this respect.

Two copies of the approved plan are being returned to you herewith.

I am, Dear Sirs,  
Yours faithfully,

Principal Surveyor for the Far East.
