CORPORATION
REGISTER.

Port DURBAN.

14th December, 1951.

This is to Certify that I have

Surveyed the Twin Sc. s.s. "WAIMANA", 8129 tons gross of
Southampton, whilst lying afloat at Durban, on account of
leakage into fore peak space starboard side.

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all ^{temporary} repairs
recommended by me have been completed to my satisfaction,
and that I have Recommended that she be continued as classed
without fresh record of survey; subject to No. 1 shell plate
from frd. in 3rd strake below sheer s.s. being specially
examined and dealt with as found necessary on vessel's arrival
in U.K. and as previously recommended.
being fit to carry dry and perishable cargo.

(Signed) P.F.H. BREBNER.

Surveyor to Lloyd's Register

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:-
"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
