Lloyd's Register of Shipping.

No. 4966

Port WELLINGTON N.Z.

26th April, 1950.

This is to Certify that I have

Surveyed the Boiler and Machinery of the T.S.S. WAHINE 4436 tons gross of Wellington as she lay afloat and on the Floating Dock on the 10th March, 1950 and subsequently for Annual Survey of Main Boiler, Renewal of starboard stern tube, survey of starboard tail and underwater sea connection

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the record of remain as classed with Record B.S.4-50 and Starboard tail shaft seen 3-50

be made in the Register Book in the case of this vessel.

J. Davidson

Engineer Surveyor to Lloyd's Register.

General Observations, Opinion, and Remarks

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that: "While the Committees of the Society use their best endeavours to ensure that the functions of the Society are fully executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, or for any negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
