Dear Mr. Findlay,

Many thanks for returning the copies of anchor and chain cable certificates for the motor trawler "MILFORD VISCOUNT".

It was our fault that you were erroneously sent a copy of certificate No. 71825 as we agree from our own records this should have been supplied for No. 71823.

We have no note of any replacement of an anchor but for our own purposes are obtaining the particulars of anchor for which certificate 47802 was supplied by the Sunderland Proving House.

In all the circumstances I have been able to cancel the debit note sent you so please do not worry any more about that.

Yours faithfully,

W. Martin, Esq.,
