"MILFORD VISCOUNT"

Dear Mr. Hemmings,

Will you please let me have copies of your reports to Lloyds on the condition of hull and machinery since she has been fishing out of Milford. These should cover any damage and repairs known to you.

The date of the last drydocking and your inspection is also required.

Particulars of anchor and chain cables, preferably the certificates should be sent to me.

Yours faithfully,

A. Lindley

Inspector appointed
under Section 465 of the
M.S.A. 1894.

S.D. Hemmings, Esq.,
Lloyds Surveyor,
The Docks,
Milford Haven.
