Dear Sirs,

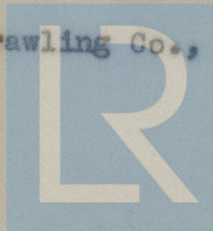

I duly received your letter of the 30th ultimo, respecting the motor trawler "MILFORD VISCOUNT," and having submitted the case to the Committee, I am directed to acquaint you that in all the circumstances it has been decided to make a record of "Missing since 4.50," against the vessel's name in the Society's Register Book and to expunge her class in accordance with the usual practice.

I should add that the Committee learned with much regret that this trawler is missing and they have requested me to convey their sincere sympathy with you in the loss of this vessel.

Yours faithfully,

pro Secretary.
