Westminster Buildings,
Theatre Square,

Nottingham, 7th February, 1946.

Dear Sir,

Ruston & Hornsby Engine No. 241110.
Type 8VGBXM - 0/No. 13/450053.
Cochrane & Sons Ltd., Yd. No. 1319.

With reference to the last paragraph in your letter of 27th October, 1945 on the subject of torsional vibration characteristics of the above installation we beg to enclose herewith sheet No. 3G-12 together with Amos & Smith's Drg. Nos. 14861 and 13762 of the sterngear.

We are advised by Messrs. Ruston & Hornsby that the Firm would deem it a favour if the question of the approval of this data were treated as a matter of some urgency and we should, therefore, feel grateful if you would give it your prompt attention.

We are, Dear Sir,
Yours faithfully,
For the Surveyors,

The Secretary,
LONDON.
