# Lloyd's Register of Shipping,

Ocean Chambers, Lowgate,

Hull, 2nd Dec. 1944.

Reference

Dear Sir,

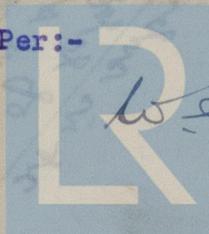

Motor Trawler "MILFORD VISCOUNT".  
Cochranes' 1319, Amos & Smith's 782.

We have received an amendment to the Bilge and Ballast Arrangement of the above trawler from Messrs. Amos & Smith Ltd. and we have enclosed same herewith.

We understand that the Ministry of Transport are collecting information on fire fighting equipment for oil fired steam and motor trawlers and it is at their investigation that the above plan has been amended.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors,

Per:-

*W. S. Shields*

The Secretary,  
LONDON.

Lloyd's Register  
Foundation

Referred to the Chief Engineer Surveyors

LONDON.

The Secretary,

Return plan

Plan of bridge & ballast  
machinery space  
of R.R.S.  
10/11/21 A. B.

(note amendments indicated in blue)

*It is submitted that the amendments proposed are of a minor nature and do not affect the general arrangement of the plan.*

Dear Sir,

George Street, 113 D, York & South Wales  
Rochester, Kent
