Capacity tons. FPT tons; APT tons; MT. tons. }
Particulars of Classification (which must be inserted
precisely as in Register Book & Supplements)

Alterations in the existing records should be underlined.

Report No. 56665 Port CFF

Surveys, when held, must be reported in detail and in the terms of the Rules and items remaining to complete
should be summarised. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations
quent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to
es; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the
of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form.
the dates and initials of any letters respecting this case.

cases where the Surveyor has not made a special damage report he is required to state whether he
d his services for this purpose and to whom and why they were declined.

Was a damage report made by anyone else? if so, by whom?

Observations, Opinion as to Class, Recommendation, &c. :-
te clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon
y, thus, for example: "to remain as classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of
38," or "to remain as classed and to have record of survey, 1,38, and the notations of ss No. 1-38."

ship in my opinion is eligible to remain as classed without fresh record of survey subject
rmanent repairs in way of cement boxes Nos. 1 & 3 holds and to the Special Survey due 7-50
carried out by 1,51.
