Dear Sirs,

E. I duly received Mr. Southwell's letter of the 9th instant enclosing one from Messrs. Harland & Wolff Ltd., relative to the new boilers for the Twin Screw Steamer "GRAPHIC", and I have to acquaint you that in the circumstances the proposal to utilise the original safety valves will be approved in this instance.

As regards the concluding paragraph of Mr. Southwell's letter I may say that the Cochrane MacNicoll High Lift Safety Valve has received the approval of the Committee.

I am, Dear Sirs,

Yours faithfully,

Secretary.
