Dear Sirs,

S. S. "GRAPHIC".

We send herewith, for your information, blue prints of Drawings Nos. 14647A and 14648A showing D.E. and S.E. Boilers respectively (ex No.507), which we are fitting in the above vessel.

The D.E. Boiler has been tested by the Board of Trade and has been in use for a short time at the City of Belfast Temporary Power Station. One of the two S.E. Boilers is already completed and tested by Board of Trade, and the other is in course of construction.

Yours truly,

FOR HARLAND & WOLFF LTD.
