

S.S. "No. 265" - ex "F.J. LUCKENBACH" -  
built by the Bethlehem Shipbuilding Co. to class 100.A1.

—oo0oo—

In this case a bulkhead is omitted in the fore hold as approved, six bulkheads being fitted instead of seven bulkheads as required.

The vessel was originally owned by the Luckenbach Co. of New York who have furnished a letter agreeing to the omission of the bulkhead, and is now registered in the name of the United States Shipping Board.
