PRINCIPAL SURVEYOR

The Secretary
LONDON

Dear Sir:-

S/S "NORTH VOYAGEUR"

With reference to the previous correspondence on the above Vessel, I herewith enclose a letter received from Messrs. Mendes & Mount of New York, requesting to be supplied with information regarding the Vessel for the guidance and use of the Underwriters.

Before taking any action in the matter, I will be glad to have your instructions.

Yours very truly,

Principal Surveyor for Canada

Enclosure
ARR:FC

The NORTH VOYAGEUR was loaded by the Reading Mill at its Port Richmond Terminal, Philadelphia, with 100 tons of coal. During the progress of the loading the list was a matter of concern to the Railroad for fear the vessel would damage its pier. The vessel was then to her starboard, and stopped and the Railroad brought in an engine to assist her. We quote an extract from a report which this surveyor made to the Reading Company:
